21.10.2026

Current Report No. 48/2026

Subject: Receipt of a work commencement order for a contract worth approximately PLN 47.7 million net for the construction of a wind farm

Legal basis: Article 17(1) of the Market Abuse Regulation (MAR) – confidential information.

Content of the report:
Further to current report No. 42/2026 dated 29 September 2026 concerning the conclusion by the consortium comprising ONDE S.A. (consortium leader, hereinafter the "Issuer") and P&Q sp. z o.o. (consortium member) for construction works on a wind farm located in Poland with a total net value of PLN 47.7 million, where the commencement of works was conditional upon the investor issuing an appropriate written instruction to commence works, The Issuer's Management Board hereby announces that the consortium has received a written instruction from the investor to commence work and is proceeding with the performance of the contract.

The remuneration due to the Issuer in respect of the performance of the contract will amount to approximately PLN 25.2 million net.
